

## Consent To Use Electronic Communications

Services GoLabo Inc. will use reasonable means to protect the security and confidentiality of information sent and received using the Services ("Services" is defined in the attached Consent to use electronic communications). However, because of the risks outlined below, GoLabo cannot guarantee the security and confidentiality of electronic communications:

- Use of electronic communications to discuss sensitive information can increase the risk of such information being disclosed to third parties.
- Despite reasonable efforts to protect the privacy and security of electronic communication, it is not possible to completely secure the information.
- Employers and online services may have a legal right to inspect and keep electronic communications that pass through their system.
- Electronic communications can introduce malware into a computer system, and potentially damage or disrupt the computer, networks, and security settings.
- Electronic communications can be forwarded, intercepted, circulated, stored, or even changed without the knowledge or permission of GoLabo or the patient.
- Even after the sender and recipient have deleted copies of electronic communications, back-up copies may exist on a computer system.
- Electronic communications maybe disclosed in accordance with a duty to report or a court order.
- Videoconferencing using services such as Skype, FaceTime or Zoom may be more open to interception than other forms of videoconferencing.

I acknowledge that I have read and fully understand the risks, limitations, conditions of use, and instructions for use of the selected electronic communication Services. I understand and accept the risks outlined in this consent form, associated with the use of the Services in communications with GoLabo and GoLabo's staff.

I acknowledge and understand that despite recommendations that encryption software be used as a security mechanism for electronic communications, it is possible that communications with GoLabo or GoLabo's staff using the Services may not be encrypted. Despite this, I agree to communicate GoLabo or GoLabo's staff using these Services with a full understanding of the risk.

By submitting my email I agree that GoLabo may send me promotional offers, updates and other marketing messages. I acknowledge that either I or GoLabo may, at any time, withdraw the option of communicating electronically through the Services upon providing written notice. Any questions I had have been answered.
